Promoting fine craft and the artists who create it

Dear Members,

The WDCC Board of Directors wishes you peace, health, and prosperity as we transition into this new year. 2020 has challenged us in ways we never have dreamt of, and has forever changed our perspectives.

As we learn to adapt and develop as individuals and as an organization, we ask that you stay in touch and connected with us and your colleagues this upcoming year. One of the biggest things we have learned through all of this is that we need to work together and support our arts community.

We hope you have been continuing to create and would love to encourage you to apply to our upcoming member exhibition at Alverno College in March, "[Beyond the Norm - Creating Through Abnormal Times](#)". Applications are due in by January 4, 2021.

Our [Morning Glory Art Fair Applications](#) are now open on [Zapplication](#) and we are looking forward to hosting the show next August and presenting a high quality selection of artists in Milwaukee, WI. The Morning Glory Committee has been hard at work for the last few months coming up with new ideas to draw patrons to the event. Please consider applying, members receive a substantial discount on their booth fee if accepted into the show.

Please scroll down to view our new and renewed members, and a special feature on one of our student members, Sarah Weh. Are you connected to students artists working in the craft fields? Consider treating them to a [WDCC student membership](#). Only \$20 annually!

Happy New Year!

Entry for BEYOND THE NORM is open to all members. You may join or renew your WDCC Membership at: [Join WDCC](#) or [Renew/update membership](#)

Student Member Sarah Weh - Senior Art Exhibit

We encourage you to check out Sarah Weh's [3D virtual gallery link](#) to her Senior Exhibition. It is a 3D self guided tour that you can actually walk around in - virtually. Sarah recommends that the virtual gallery be viewed in google chrome and on a computer or else video and audio won't work. You can also visit [Sarah's Website](#) to see what else she is up to. We love having Sarah as a member and she also has been helping us with some of our graphic design and website needs. Thank you Sarah!
